I hereby declare that, to my knowledge, I have no conflict of interests with regard to the operators (who have applied to participate in this procurement procedure/ submitted a tender for this procurement) whether as individuals or members of a consortium, or the subcontractors proposed.

To the best of my knowledge and belief, there are no facts or circumstances, past or present, or that could arise in the foreseeable future, which might call into question my independence in the eyes of any party.

I confirm that if I discover or should it become apparent during the course of the selection /criteria/opening evaluation process/performance of or amendment to

the contract that such a conflict exists or has arisen, I will declare it immediately to the board/committee and if a conflict of interests is found, I will cease to take part in the evaluation process and all related activities.

I also confirm that I will keep all matters entrusted to me confidential. I will not disclose any confidential information that is revealed to me or that I have discovered. I will not make any adverse use of the information given to me.
